

Neighbors helping neighbors

That's the reason why Nobles Cooperative Electric was founded in 1936 and remains at the heart of all we do. That spirit of cooperation and dedication to raising everyone's quality of life is also the inspiration behind our community improvement program, Operation Round Up[®].

When you join Operation Round Up, your contributions help provide food, clothing, shelter, health care and other vital community services that will benefit people in need throughout our service area.

As a voluntary contributor to Operation Round Up, you choose to have your monthly electric bill rounded up to the next highest dollar amount. The difference between your actual bill and the next highest dollar is the amount of your donation.

For example:

If your monthly electric bill is: \$126.35

Your bill will be round up to: \$127

Your Operation Round Up donation: 65 cents

Your monthly contribution could be as little as a penny, but never more than ninety-nine cents. The average Operation Round Up contribution is just fifty cents per month or \$6 per year — but that small amount makes a huge difference in the lives that it touches.
